Love to knit? Want to learn how? We welcome all skill levels to our knitting club meeting the first Wednesday in November. Ms. Sue Dole will be teaching those who want to learn, how to knit, and also sharing skills and patterns with any seasoned knitter that wants to join the group. We welcome all adults (18+) to join this exciting new club at the library. Ms. Dole does request that you bring your own needles and yarn, as she cannot provide that for everyone. For beginners Ms. Dole recommends using a 9 or 10 gauge needle (5.5mm) and

a 4 oz skein of yarn. She recommends using Red Hart yarn for beginners as it is friendly on the wallet and easy to work with.

We are very excited to be hosting the knitting club as this is a fun way to meet new people, learn and skill, and share ideas with other knitters.

For more information on the meetings please call our Reference librarian Stephanie Koroll. Her contact information is in the side panel.
